

Purchase Reflector

Reflector is a paid program that allows the user to display an iPad screen through a computer/projector hookup. The \$12.99 download is a one-time fee for the life of the computer. (Note: Instructions created using Mozilla Firefox browser)

1. To begin visit <http://www.airquirrels.com/reflector/> and click on "Buy 12.99."
2. Scroll down to Reflector and choose 1 next to "Win - Reflector - Single User License." Click to add this to your cart.

The screenshot shows the product page for Reflector. It includes a product image, the title "Reflector", a description: "AirPlay mirror your iPhone 4S, iPhone 5, iPad 2 or later, iPad mini and iPod touch (5th generation) to your Mac or PC, wirelessly.", and two purchase options: "Win - Reflector - Single User License" for \$12.99 and "Win - Reflector - Multi User License (5 Licenses)" for \$54.99. There are dropdown menus for selecting the quantity of each license. A blue "Add to Cart" button is located at the bottom right. Two blue arrows point to the quantity dropdowns and the "Add to Cart" button.
