 - Editor's Top 10, Reader's Top 10
- By Age/Subject
 - Toddler, Preschool, 6-8, 9-11, 12 and Up
 - Books, Handwriting, Math, Science
 - Multilingual, Special Needs
- Services
 - Contact, Meet the Staff

Danny Dimple Dares to Dream: Review

Bottom line: A storybook app with a great lesson of encouragement for kids up to about age 8. Nothing revolutionary, but a nice story for your little dreamer.

This site holds a Free App Friday but also posts free or reduced price apps as they become available.

Subscribe to their Free App Alert by entering your email address on their home page. You can safely be removed from this list at any time if you should change your mind.

You can also create a bookmark link on your ipad's workspace to the Free App of the Day page and check the page daily.
